Front Cover

Look into my eyes
And tell me what you see
Someone real
This is real
What you wish to be

* Fear Factory - Archetype

All that is gold does not glitter,
Not all those who wander are lost;
The old that is strong does not wither,
Deep roots are not reached by the frost.

From the ashes, a fire shall be woken,
A light from the shadows shall spring;
Renewed shall be blade that was broken,
The crownless again shall be king.

I have always enjoyed traveling, no matter the destination or reason—hiking, camping, music concerts and festivals, foreign countries, or even just for the sake of it.

The following photos were taken in the Bulgarian mountains, the Black Sea coast, Czech Republic, Serbia, Montenegro, Romania, Italy, Austria, and the USA. They highlight some of the best moments I have had and places I have visited over the course of the last few years.

On pages before the first photo and after the last one you would find some song lyrics associated with each of the photos. They either directly refer to the particular photo or they carry some more personal meaning for me and the people involved. I have left the lyrics and the photos separate to give you the chance to link your songs to the photos as well. I hope you can feel some part of my experience through those photos and get inspired to travel more.

It shines for people
You'll never know
